

Ledio Dylgjeri

Full Stack Software Developer

Flushing, NY | (646)578-3908 | lediodylgjeri@gmail.com | [GitHub](#) | [LinkedIn](#)

Career Objective

My calling in life has been to help people. Coming from a law enforcement background I have had the pleasure to help many by wearing different hats. The experience I gained in problem solving will reflect in my software engineering career. Through technology, I want to continue my work by being involved with future projects that advance humanity.

SKILLS

- Programming Languages: JavaScript, Python
- Markup/Style Language: HTML, CSS
- Runtime Environment: Node.js
- Frameworks: Bootstrap, Express.js, Mongoose, Django, Docker
- Databases: MongoDB, PostgreSQL
